#### AFWERKING - FINITION - POLSTERUNG

#### \*SNIJRICHTING - DIRECTION DE COUPE - SCHNITTRICHTUNG

Doordat de liggelaten in een andere richting geknipt worden, kan er een kleurnuance ontstaan, die geaccepteerd dient te worden.

Vu que le tissu pour toutes les chaises longues est coupé dans une autre direction, une nuance de couleur qui devrait être acceptée, pourrait se produire.

Da der Stoff für alle Liege-Elemente in eine andere Richtung geschnitten wird, kann eine Farbschattierung entstehen, die akzeptiert werden soll.

#### Kleurverschillen

Om kleurverschillen te voorkomen, dienen de accessoires samen met het bankstel besteld en geproduceerd te worden. Bij het apart bestellen van kussens kan er geen kleurgarantie gegeven worden. Indien er stofmetrages en/of accessoires met een expressdienst naar u dient verstuurd te worden, zal Koozo u deze expresskosten steeds aanrekenen.

#### Différences de couleurs

Afin d'éviter des différences de couleurs, les accessoires doivent être commandés et produits en même temps que l'ensemble. En commandant des coussins séparément, on ne peut donner aucune garantie de couleur. Pour chaque envoi d'étoffes ou d'accessoires par courrier express que nous vous envoyons, Koozo vous facturera toujours les frais de transport.

#### Farbunterschieden

Zur Vorbeugung von Farbunterschieden müssen die Zubehörteile zusammen mit der Bankgarnitur bestellt und gefertigt werden. Bei einer separaten Bestellung von Accessoire kann keine Farbgarantie gegeben werden. Koozo wird immer einen Betrag für den Versand mit Expressdienst von Zubehörteilen und Stoffen in Rechnung stellen.
